Set Up Guide

Version 4.0, March 2022

Faster. Smarter. More

Pure IP
Just voice.

INTRODUCTION

The Pure IP Connector for Zoom Phone allows you to add external calling to your Zoom account using Pure IP's cloud-based global voice network through a trusted integration between the two.

Using the Pure IP app, customers can order new telephone number, upload the numbers to their Zoom account and also remove them where necessary. This document is designed to provide a step-by-step guide of how to get set up and started with the Pure IP Connector for Zoom Phone.
